**This is a free webinar. - REGISTER NOW**

An invaluable forum recommended to students considering a career in Medicine or Dentistry, and especially for those who already know that they will be sitting the UCAT or attending Med School Interviews.

This forum is an excellent opportunity for students and parents to find out about the UCAT, Interviews, Pathways into Medicine, and have all questions answered by expert teachers who have been working in the field since 1999.

The session is PACKED with invaluable information during which we will be covering the following topics, and more.

- What is UCAT? UCAT scores? UCAT Sub-tests?
- Year 10, 11 and 12 – things to consider now.
- The Undergraduate Selection Criteria
- Application process into universities for medicine and dentistry
- When and who can sit the UCAT
- GAMSAT
- Can you prepare for the UCAT?
- Undergraduate interview process
- Med School Applications
- Gap Year
- Alternative degrees and career choices
- Q & A
