

Introduction to Retail

LUCINDALE
AREA SCHOOL

Government of South Australia
Department for Education

Sessions are being delivered in 2024 across the schools in the Limestone Coast for RETAIL.

This course offers students the skills and knowledge to use effective communications techniques with colleagues and customers to work effectively as part of the team. Students will be able to follow all the steps of selling to determine the customers' needs, match products and services to help them with their enquiry and contribute to a service culture.

This course will assist student in gaining employment in the retail industry and also attracts 10 Stage 1 SACE Credits.
